Rancho Murieta Country Club
North Course

Hi Friends!

On behalf of my wife Barbara and our son PJ, we'd like to welcome you to the 2nd annual Ed Crane KFBK Golf and Grape Gathering.

We promise you'll get a chance to enjoy some of the finest wines our state has to offer, delectable small bites from some of the Sacramento regions favorite restaurants, and a chance to play one of the most enjoyable and challenging private courses in the area, Rancho Murieta Country Club's North Course.

We hope you'll take a chance on our various raffles and find some intriguing items on the carefully assembled auction list. There's something for everyone!

This California event evolved from the annual charity event we hosted for several years in New York. It was born out of tragedy, the deaths of our two handsome and loving sons. Timmy and Brian suffered from a rare neurological disease called adrenoleukodystrophy. It's hard to pronounce, tougher to cure.

While we miss Timmy and Brian every day, we're delighted to have the chance to help other sick children, as we partner this year with Shriners Childrens Hospital. It's a perfect fit, as their researchers are working hard to help children suffering from ALD, the very disease that took Timmy and Brian away from us.

We're sorry most of you never had the chance to know Timmy or Brian. But raise a glass in their honor tonight, confident that your support is keeping the memory of two very courageous lads alive, while helping other children and their families through difficult times. It's about **HELP, HOPE, RESEARCH and a CURE!**

Special thanks to our generous sponsors Hanson McClain and Waste Connections; our hosts Mercedes Benz, and Rancho Murieta, our donors and volunteers, our friends at KFBK....and all of you!

Ed Crane

A Note From the Event Team

Welcome!

The economic times are tough right now, but we think you'll agree that this will be the most fun charity golf event you've ever played in a long time.

PLUS, it's not just a golf tournament!! We have a special evening the night before called Wine and Wedges where non-golfers and golfers alike will taste spectacular wines and enjoy savory small plates ("wedges") from some of Sacramento's most renowned restaurants.

Not only will there be lots of food, wine, art, and cigars, you can compete in contests, all to raise severely needed dollars for two wonderful kids charities, the Shriners Children's Hospital and the Timmy and Brian Crane Foundation.

Thank you for your support in these challenging times and enjoy 1.5 days of fun!!

We want to personally thank our host, Ed Crane, for his commitment, effort, and time to make this a reality for everyone.

2011 will be even better!

Cheers!
